June 21, 2010

Dear sponsors and friends,

Father Georges Bissonnette truly embodied the spirit of the Assumptionists and Assumption College. We are pleased to hold the 37th annual Father Bissonnette Invitational Golf Tournament in his memory. One of the finest tournaments in Central Massachusetts, the Father Bissonnette Invitational has been a great success year after year.

My thanks to all of you who make this such a wonderful day. With the generosity of our sponsors and supporters, this event has raised more than $1 million for the College since its inception in 1974.

Proceeds from the tournament will benefit the College’s student Financial Aid Fund and the Athletics Department. Given the current state of the economy, requests for financial aid from our students have increased significantly. Without your support, it would not be possible for many of our students to attend Assumption College and receive the benefits of a private, residential, Catholic liberal arts college.

Thank you for joining us today. We deeply appreciate your support of Assumption College, our students and our Athletics Department.

Sincerely,

Francesco C. Cesareo, Ph.D.
President, Assumption College
Assumption College History

Assumption College was founded by the Augustinians of the Assumption in September 1904. The school expanded steadily, and, by mid-century, numbered around 400 students. In 1950, the Assumptionists celebrated both the 100th anniversary of their founding and the granting of a University Charter by the Commonwealth of Massachusetts to confer graduate degrees. Liberal arts offerings were expanded and the Graduate School and Summer School were initiated during this period.

A devastating tornado struck the campus in June 1953, claiming three lives and prompting Assumption to rebuild and use the Greendale site as the location of Assumption Preparatory School, and to relocate the College. A new campus was prepared for the College on Salisbury Street. The College entered a new era in 1969 when about 120 women enrolled in the Class of 1973 as Assumption’s first coeducational class.

Today, Assumption College offers a Catholic liberal arts, sciences, and pre-professional studies education to more than 2,100 undergraduates and approximately 700 graduate and continuing education students. The campus has experienced significant growth recently, adding six buildings since 1992 to a campus of 180 acres, currently the largest college campus in Worcester.
The Father Bissonnette Invitational Golf Tournament was established in 1973 to honor Fr. Georges Bissonnette, A.A., the twelfth president of Assumption College, and to provide scholarship funds to Assumption students. Fr. Georges has been remembered by many generations of Assumption students as the spirited professor of Philosophy and Political Science, always intent on sharing his encyclopedic knowledge as well as his remarkable insights.

Fr. Georges served as the dean of the Faculty (1962–68) and then as the twelfth president of the College (1968–72). It was during his presidency that the Lay-Religious Board of Trustees was established and Assumption admitted female undergraduates for the first time.

A noted lecturer and scholar in Russian history and Soviet Studies, Fr. Georges pursued graduate degrees at Columbia University, receiving an M.A. from the Russian Institute, as well as M.A. and Ph.D. degrees in Public Law. He also studied in the School of Foreign Service at Georgetown University. It was largely due to Fr. Georges’ influence that the Foreign Affairs major was instituted at Assumption.

Fr. Georges’ most famous book is undoubtedly Moscow Was My Parish, describing his two years (1953–55) as the only Catholic priest in the Soviet Union. Actively involved in the Worcester community, he served as vice president of the Chamber of Commerce (1971–78), director of the Y.M.C.A. (1960–80) and director of the United Way (1965–80). He also served for many years as the chaplain of the Harmony Club.

Throughout his life, Fr. Georges had one love: Assumption College. A man of varied interests and unusual accomplishments, he remained in many ways the simple and unassuming son of poor French Canadian immigrants. His warm personality and disarming simplicity endeared him to many. May his memory inspire many to pursue equally lofty goals in living service to the Church and the Commonwealth.
