Adding the Assumption College Blackboard server to Internet Explorer's Trusted sites.

To reduce Blackboard login problems caused by browser security settings users should add http://blackboard.assumption.edu to the trusted sites in Internet Explorer or another browser.

In Internet Explorer, click on the tools menu and select Internet Options.

Next click on the Security tab on the Internet Options window.
On the Security tab, click on the trusted sites icon.

Next click on the Sites… button in the middle of the window.

In the top text box enter http://blackboard.assumption.edu and click the add button.

You may need to uncheck the checkbox for require server verification near the bottom of the window.

Click OK to close this window and OK again to close the Internet Options window.
