A NOVEMBER TO REMEMBER

Commuter Connection, Sonny Choun

My name is Sonny Choun Class of 2014, and I am a commuter student. Thus far my time here at Assumption College has been great. The campus environment provides students with many resources and activities to keep them occupied for the time being here as a commuter. I realize that being a commuter can be very difficult yet getting involved in campus activities is important because it keeps you engaged in the campus community. I'm involved in the ALANA Network, and they help me make my time here less overwhelming. They give me support and good insights on how to approach many issues I encounter here. I strongly encourage you to get involved, and if you haven't done so already, take in the opportunities this community provides for you. If you are not sure what opportunities Assumption College has and/or want to get connected with other commuters come to a Commuter Council meeting on Monday, November 15th at 1:30 pm in the Student Lounge located in the ground level of Hagan Hall.

If you are interested in joining the commuter council please contact:
Alexandra Paterson at al.paterson@assumption.edu
