Today is the official opening of the beautiful Tinsley Campus Ministry Center. We hope you will join us today, April 27 for the 4:00 p.m. Ribbon Cutting and Mass of Thanksgiving in the Chapel of the Holy Spirit.

You will soon "read all about it" in the upcoming spring issue of the Assumption Magazine...President Cesareo recently announced that he signed a Memorandum of Understanding between the College and the Assumptionists for the establishment of an Assumption College ROME campus!

Speaking of Rome... there are two fabulous trips to Europe coming up. President Cesareo has graciously offered to lead a 3.5 day tour through the cobblestoned "back roads" of Rome...then we will spend a delicious and leisurely four days in Tuscany - March 2-10, 2013. The W.I.S.E. (Worcester Institute for Senior Education) also cordially invites Alumni to join them on a trip to Portugal this fall. Both trips are outlined below.

In other exciting news, the Alumni portion of the Assumption Web site will soon be transitioning to an interactive "portal" system this fall. This will allow us to have an on line directory where you can easily stay connected with your classmates and friends. It will also significantly ease registering for events...among many other features. All Alumni will be in the database and once we "go live" you will have the ability to customize your profile.

And...since it is officially golf season...the annual FBI (Fr. Bissonnette Invitational) - June 18 at Worcester Country Club) invites Alumni to participate in the auction with some very special items that will be on view via our Facebook Fanpage. There are fabulous items that have been generously donated to support the General Scholarship Fund and Athletics. Speaking of Golf Outings...the Athletics Department also holds an annual Outing at Pine Ridge in Oxford, MA that we hope you will also support.
